LNOF
Pub Golf

If you don't know the rules of Pub Golf, they are pretty much as follows:

- nine pubs
- a drink in each
- quickly down it

Can you do it in a **hole in one**?!

If you're looking at these **Pub Golf Rules**, then it is likely that you're going to be sporting our **devilishly stylish pub golf costumes**. So, it seems that congratulations are in order - well done, old boy, **you all look dashing**!

Now for the important part - hitting the town like a bunch of **merry lunatics**, attracting the attention of all the innocent bystanders, drinking competitively and pulling some model poses with your **inflatable golf clubs**.

The Rules:

You don't need to be a proper golfer to play pub golf. In fact, you need to be the complete opposite - no control, delicacy or precision is needed here, just **masses of enthusiasm and brute force**.

Choose 9 pubs (there are 18 holes in a standard game of golf, but we feel that it would be very irresponsible for us to encourage 18 drinks. However, we're not your Mum, so do as you will...).

Each of you will have your own little **scorecard**, which we've generously supplied. You each have **one drink per pub** and are scored by the amount of drinks/swigs/gulps it takes to finish it. For example, downing it would give you a **hole-in-one**. At the end of the game, the player with the **lowest score is the winner** - just like real golf.

Pars:

If you want to make it a wee bit more complicated, you can assign **a par to each pub** - this is the number of swigs you are expected to take to finish the drink.

If you are able to finish the whole drink in the assigned number of swigs or less, you will have managed par. If it takes you more, you will get a point added for every extra gulp. Unlucky.

Penalty Strokes:

For an entertaining addition, we suggest bringing in some **penalty strokes** - as by the 4th pub there'll be men everywhere, lots of **chanting** and everyone trying to chuck the drink down their necks with **gusto**. You guys can decide upon your own penalty strokes,,but here are **a few ideas**:

- 1 stroke added on for a spilled drink
- 2 strokes added on for missing a hole (pub)
- 3 strokes added for falling over
- 5 strokes added on for being caught cheating
- 10 strokes added on for starting a fight with other players with your inflatable golf club

Give us a Shout:

We're always up for hearing about **drunken debauchery**, as well as seeing you lads in action. Give us a shout and let us know how you got on.
